Foreword

This translation has been made based on the original Japanese Industrial Standard established by the Minister of International Trade and Industry through deliberations at the Japanese Industrial Standards Committee in accordance with the Industrial Standardization Law.

The sizes of straight bevel gears were not specified in conventional Japanese Industrial Standards. Therefore, this Standard has been established in order to conform to the International Standard.

Date of Establishment: 1999-01-20

Date of Public Notice in Official Gazette: 1999-01-20

Investigated by: Japanese Industrial Standards Committee
Divisional Council on Machine Elements

JIS B 1706-2:1999, First English edition published in 2002-05
