Foreword

This translation has been made based on the original Japanese Industrial Standard revised by the Minister of Economy, Trade and Industry through deliberations at the Japanese Industrial Standards Committee, as the result of proposal for revision of Japanese Industrial Standard submitted by the Reliability Center for Electronic Components of Japan (RCJ)/ the Japanese Standards Association (JSA) with the draft being attached, based on the provision of Article 12 Clause 1 of the Industrial Standardization Law applicable to the case of revision by the provision of Article 14. Consequently **JIS C 0066 : 1993** is replaced with this Standard.

Date of Establishment: 1993-09-01

Date of Revision: 2001-11-20

Date of Public Notice in Official Gazette: 2001-11-20

Investigated by: Japanese Industrial Standards Committee
Standards Board
Technical Committee on Electricity
Technology
