Foreword

This translation has been made based on the original Japanese Industrial Standard established by the Minister of Economy, Trade and Industry through deliberations at the Japanese Industrial Standards Committee, as the result of proposal for establishment of Japanese Industrial Standard submitted by Artificial Abrasive Industrial Association (AAIA)/the Japanese Standards Association (JSA) with the draft being attached, based on the provision of Article 12 Clause 1 of the Industrial Standardization Law.

This establishment is made based on **ISO 9136 : 1989 Abrasive macrograins—Determination of bulk density** in order to facilitate the comparison between Japanese Industrial Standard and International Standard, the development of Japanese Industrial Standard identical with International Standard and the proposal of the draft of International Standard based on Japanese Industrial Standard.

Date of Establishment: 2002-03-20

Date of Public Notice in Official Gazette: 2002-03-20

Investigated by: Japanese Industrial Standards Committee
Standards Board
Technical Committee on Ceramics
